

**Columbia Metropolitan Airport
Christmas Decorating RFP
Questions and Responses
Friday, May 7, 2021**

Below are a list of the questions the Columbia Metropolitan Airport (CAE hereafter) received during the option question period of this RFP process:

Question: Is it permissible to hang anything from the ceilings? Would a scissor lift be permissible on that floor?

Response: Yes. Items are able to be hung from the ceiling. Scissor lifts have been previously used in the terminal, but any lift or item hung will need prior approval by airport personnel/maintenance.

Question: Do you have a blueprint/drawing of the floor plan for the airport we could use for placements?

Response: Yes, please see enclosed documents.
